## PURE PLATFORMS

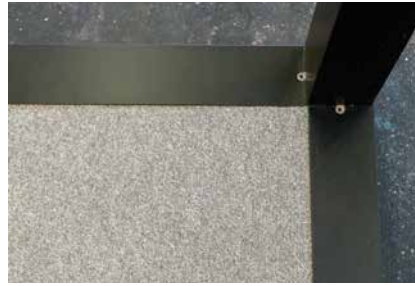

### Basic equipment per unit (rental included in stand package)

- › **Area:** Area per unit 4.50 m x 4.50 m (= Gross area including stand construction). Please note the ground plan for the net area.
- › **Stand construction:** Basic construction of surrounding square-section metal profiles (black, approx. 60 mm thick) and corner connectors. Grid dimensions 4.50 m x 4.50 m. The height of your unit is specified by Koelnmesse GmbH (3.00 m or 3.50 m depending on the assigned block) and can be taken from your stand plan. The basic construction cannot be changed and should be damaged.
- › **Platform floor:** Height approx. 60 mm with visible surrounding frame of metal profile.
- › **Back wall:** Separating walls between two exhibitors, wall height 3.00 m or 3.50 m (depending on the height of the unit), total wall thickness 0.60 m. Back wall finished in non-woven fabric ("fleece wallpaper") and painted white. Side walls of the back wall: black.
- › **Lockable cupboard:** Lockable cupboard (internal width 1.00 m, door width 0.6 m integrated in the rear wall, flush surface, top edge flush with rear wall. A mains electrical supply (8 kW) with a distribution and one socket is integrated. You will receive 2 movable shelves and the key to the cabinet from stand constructor on site. The cabinet door must not be damaged.
- › **Lighting:** Five spotlights including a power rail (warm light, can be rotated and tilted, can be individually directed) are included in the basic equipment. These are mounted one upper metal profile of the stand structure using bus bars.
- › **Stand number and logo:** The exhibitor's individual stand number in a uniform typeface and the imm cologne logo in the form of cut foils are affixed to the front sides of the wall elements. At the fronts is graphic from the exhibitor and other design not allowed.
- › **Lettering:** The exhibitor is responsible for the designation of the exhibitor name. The use of 90-micron, satin-finish and high-tensile PVC film with an extra strong, permanent and pressure sensitive adhesive comparable with DPF 8000 digital printing film from Arlon is recommended.
- › **Power supply points:** One power supply point per unit is planned in the rear wall (height from floor approx. 10 cm). Please indicate position in the stand sketch. The position is freely selectable. If no details are given, the connector is placed centrally on the rear wall with a height of 12.5 cm.

**Important note:**

After the order is received, specialists will determine if technical considerations will allow the additional products to be installed or services to be provided. Please enclose with your order a sketch of your stand that depicts where the corresponding item (fabric-covered wall element, power supply points, additional equipment) should be placed. You will be notified of the additional costs in a written offer prior to the installation. The prices are valid until 1st December 2018; after the start of construction, surcharges (of up to 30 %) will be charged.

**The complete stand construction remains the property of Koelnmesse before, during and after the event and may not be damaged. Any damage must be billed.**

Stand handover takes place on Friday 11. January 2019. Exceptions are subject to written agreement. All prices given are net prices. The VAT applicable in each case will be added to the price.

We hereby declare that we have taken note of the terms of the exhibition and acknowledge them to be binding. The terms are valid for both the company's own representatives as well as

independent agents, insofar as they have been commissioned to work at our stand. We are aware that as an exhibitor, we are responsible for compliance with these terms and are liable for those persons commissioned by us.

We accept the stand plan and inventory of equipment which will be sent to us as a result of submission of this order as binding. Cancellation of the order is only possible up to 6 weeks before the official start of construction. Cancellations received after this date carry no obligation for Koelnmesse GmbH.

Koelnmesse is entitled to contract a partner company to carry out the service ordered. In this event, such a company will operate in the name and on behalf of Koelnmesse. Your signature indicates that you accept these conditions. Place of performance and jurisdiction is Cologne.
