

interzum bogotá

The event for industrial wood processing and furniture manufacturing

26.–29.05.2020

The fair: interzum bogotá

interzum bogotá, formerly known as Feria Mueble & Madera, is the leading trade fair for industrial wood processing and furniture manufacturing in Latin America.

interzum bogotá is part of the great interzum network and will benefit from the advantages and contacts of the world leading interzum.

The exhibition offers a wide range of machinery samples, supplies and services for the wood processing and furniture manufacturing industry.

The most important decision makers of the region will be present at interzum bogotá. Colombia is the most rapidly growing market among the major economies in Latin- and Central America. Therefore, interzum bogotá offers the best opportunities for entering this high potential market.
