Easy Option

The booth will be set up in coloured wooden panels (H 300 cm - white colour) delimitating the booth area, wooden bands 30 cm and carpet (grey charcoal colour) and grey charcoal columns (23x23 cm)

This option includes:

- 1 closet 1x1 meter with folding door
- 1 square table 75x75 cm and 3 chairs
- 1 reception desk and 1 stool bar
- 1 hat-stand
- 1 basket
- 3 150 W halogen lights
- 1 multi-socket
- 1 electric connection 230V with 3 KW installed power
- 1 frame with the name of the Company regardless of the open sides and the occupied area

Style Option

The booth will be set up in coloured wooden panels (H 300 cm - white colour) delimitating the booth area, wooden bridge bands and carpet.

This option includes:

- 1 closet 1x1 meter with swing door
- 1 electric connection 230V with 3 KW installed power
- 1 table and 3 chairs
- 1 reception desk and 1 stool bar
- 1 hat-stand
- 1 basket
- 3 LED headlights of 50 W
- 1 multi-socket
- 1 frame with the Company name for each open side
- daily cleaning of the booth
- customization of the colour of wooden bridge bands and carpet among four available colour options:

- 1) Blue band / blue carpet
- 2) Blue band / grey charcoal carpet
- 3) Black band / grey charcoal carpet
- 4) Orange band / orange carpet

N.B.: The two options distinguish also for the features of the furniture. These options refer to a 16 sqm booth, therefore if the requested area exceeds 16 sqm (1 unit), the quantity of furniture and accessories will be calculated multiplying the 16 sqm supply for the numbers of occupied units. In case of an area which does not correspond to the 16 sqm multiple, furniture and accessories will be assigned as for 16 sqm (example 24 sqm furniture for 16 sqm; 40 sqm furniture for 32 sqm). Independently from the occupied area, the supply of 1 closet of 1x1 meters, electrical connection 230 V with an installed power of 3 KW, 1 frame with the name of the Company (this last point is valid for Easy option only) won't be changed. Free replacements of furniture and materials are not allowed, therefore if the Exhibitor needs some different pieces of furniture or materials, he will be compelled to return the ones not needed and order new ones. The rendering do not intend to illustrate the technical characteristics of the product, having exclusively demonstrative purposes.
